

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

Mrs. Laura S. Webb.

THERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded

the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

SENTENCE SERMONS.

A man shows his dependence on God by his diligence for God.

The man who lives by tricks finds them to be back-handed traps.

God can make more out of a weak man than he can out of a wabby one.

People who calculate on an eleventh hour repentance always die at 10:30.

Everybody says "Amen" to the man who prays to be taken out of this wicked world.

It's mighty foolish to get so anxious about saving the whole world that you haven't time to do a thing for your own ward.

Better Than Pills.

The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by all druggists.

THE NAVAJOES' SACRED DANCE.

Which will be one of the new features of the New Mexico Territorial Fair at Albuquerque, October 10 to 15, is a startling exhibition of the length to which religious frenzy carries them. Participated in by one hundred bucks—Indians who have never been off the reservation—the dance illustrates as nothing else can do, the implicit belief of the savages in the efficacy of their peculiar brand of religion. You ought to see this fire dance.

It won't cost much for railroad fare. The SANTA FE has made a rate of \$2.65 from Santa Fe to Albuquerque and return. Tickets on sale October 9 to 14, good to October 17.

The Wabash Railroad has just issued a handsome illustrated World's Fair pamphlet containing a three color map of St. Louis and the fair grounds and half tone views of the principal buildings. A copy free upon request. P. P. Hitchcock, G. A. P. D., Denver, Colorado.

It is an admitted fact that real estate, financial men and merchants all say that quickest and best results are obtained by advertising in the "New Mexican."

A New Back for an Old One.—How it is Done in Santa Fe.

The "back question" is one that interests everybody, old and young. Few indeed are they whose back has never had an ache or pain. "Old backs" and "young backs" are more than often "bad backs." Sometimes they ache with that dull burdensome feeling which make you weary and listless, then they have pains shooting across the region of the kidneys; then again the back is lame, oftentimes so lame that to stoop is agony. No use plastering or rubbing a back in the condition, you can't reach the cause. It comes from the kidneys. If you would change the bad back for a new and stronger one, follow the example of a Santa Fe citizen, who tells you how in the following words:

Tomas Quintana of San Miguel st., says: "When I noticed Doan's Kidney Pills advertised in a Santa Fe paper, I came to the conclusion that they would be just the treatment required by Mrs. Quintana. She suffered from backache. I cannot tell for how long, but very often she was unable to do the slightest housework. More than once I have seen her scarcely able to move about the house. With the intention of testing the remedy thoroughly, I went to Ireland's Pharmacy for a box of Doan's Kidney Pills and she commenced the treatment. She took a second box and then a third when the last attack of backache stopped and for eight months she has had complete immunity from pain. Something novel in her existence."

For sale by all dealers; price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Chamberlain's Cough Remedy.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by all druggists.
